As per the provisions of Section 188 of the Companies Act, 2013 ("Act"), transactions with related parties which are on an arm's length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of shareholders. However, in terms of the provisions of Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR') such transactions, if material, require prior approval of shareholders by way of an ordinary resolution, notwithstanding the fact that the same are at an arm's length basis and in the ordinary course of business.

As per Regulation 2(1) read with the proviso to Regulation 23(1) of the SEBI LODR, effective April 1, 2022, transactions involving transfer of resources, services or obligations between a listed entity and any person or entity forming a part of the promoter or promoter group of the listed entity will be considered as 'related party transactions' ('RPT'), and as 'material related party transactions', if the transaction to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs. 1000 crore or 10 per cent. of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower.

The Company, during the ordinary course of its business, enter into and/or proposed to be entered into and/or continuing with Transaction(s) / Contract(s)/ Arrangement(s) / Agreement(s) (in any form and by whatever name called), whether by way of an individual transaction or transactions taken together or a

series of transactions or otherwise between the Company and each of the party(ies), whether by way of fresh or renewal(s) or extension(s) or any modification(s) of earlier Transaction(s) / Contract(s)/ Arrangement(s) /Agreement(s) or otherwise including the payment of interest or levy of charges for any services provided by the Company, from time to time on such terms and conditions as may be mutually agreed between the Company and its related parties ('RPs'). Therefore, it is required to seek the prior approval of the shareholders of the Company for the aforesaid transactions.

Further, SEBI vide its circular no. SEBI/HO/CFD/CMD1/ CIR/P/2022/47 dated April 8, 2022, clarified that the Member's approval of omnibus RPTs approved in an Annual General Meeting (AGM) shall be valid during the financial year ending on March 31, 2024 and upto the date of the next AGM to be held on year 2025 for a period not exceeding fifteen months. Hence, it is also proposed to seek approval of the Members for the below mentioned transactions at this AGM in order to have the resolution valid till next AGM.

In view of the above, approval of the Members is sought w.r.t. Transaction(s) / Contract(s)/ Arrangement(s) / Agreement(s) (in any form and by whatever name called), enter into and/or proposed to be entered into and/or continuing with (whether by way of an individual transaction or transactions taken together or a series of transactions or otherwise) between the Company and each of the party (ies), including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021, are as follows:

Of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, for each such Party. All these transactions will be executed on an arm's length basis and in the ordinary course of business of the Company. Based on the information on the transactions as provided above, the Audit Committee has approved entering into the said transactions and the Board of the Company has recommended for the approval of the Members, the resolution set out at Item No. 4 of this Notice, by way of a Special resolution. The Members may please note that in terms of provisions of the SEBI LODR, no related party shall vote to approve the Special Resolution at Item No. 4 of this Notice. Except Mr. Sudhir Prakash, Anshuman Prakash, Radhika Prakash, Husna Tara Prakash and Sidhant Prakash none of the Directors, Key Managerial Personnel and/or their relatives are, in any way, concerned or interested, financially or otherwise, in the aforesaid resolution. Your Board of Directors, therefore, recommends the passing of the ordinary resolution as set out at Item No. 4 of this Notice.

Item No: 5 & 6

As per the provisions of Section 180 (1) (c) of the Companies Act, 2013, the Board of Directors of the Company cannot, except with the permission of the Shareholders in General Meeting by passing a Special Resolution, borrow monies in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

Taking into consideration the growth in the business operations, foreseeable future plans, it would be in the interest of the Company to take the borrowing limits for the Board and authorize the Board of Directors to borrow monies which may exceed at any time the aggregate of the paid-up capital of the Company and its free reserves and securities premium but that shall not to exceed Rs. 30 Crores (Rupees Thirty Crores Only).

The borrowings of the Company are, in general, required to be secured by suitable mortgage or charge on all or any of the movable and/ or immovable properties of the Company in such form, manner and ranking as may be determined by the Board of Directors of the Company, from time to time, in consultation with the lender(s).

The mortgage and/or charge by the Company of its movable and/or immovable properties and/or the whole or any part of the undertaking(s) of the Company in favor of the lenders/agent(s)/trustees. Further, the Company in certain events of default by the Company, may be regarded as disposal of the Company's undertaking(s) within the meaning of Section 180 (1) (a) of the Companies Act, 2013. Hence it shall be necessary to obtain approval for the same from the Shareholders.

The Board of Directors recommend for Shareholders approval through Special resolution. None of the Directors of the Company is, in any way, concerned or interested in the said resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE & DEVELOPMENT

TEA DIVISION

The Company's main business is manufacture and sale of Tea. Tea is a seasonal industry. The manufacturing process starts around mid-March and continues till mid-December. The crop yield depends to a large extent on the weather conditions. The plantation area being constant the yield depends on the irrigation facilities, better soil management techniques, weather etc. Necessary steps are initiated by the Company for improving the yield and quality of crop in its gardens. The Company lays stress on improving the quality. Use of vermi compost in the plantation areas is in vogue for sustaining the quality of soil as well as for improving the yield. The Company adopts good tea plantation practices to maintain the yield and has embarked on production of quality teas.

TOURISM DIVISION

Your Company financial results reflect the financials from April 2023 to March 2024. Your Company section also includes important developments and initiatives undertaken during the above period at the Group level, which has a bearing on the performance and business of your Company. Some statements in this discussion, describing the projections, estimates, expectations or outlook, may be forward looking. Actual results may, however, differ materially from those stated, on account of various factors such as changes in Government regulations, tax regimes, economic developments within India and the countries with which your Company conducts its business, exchange rates and interest rates fluctuations, impact of competition, demand and supply constraints, etc.

Travel and lodging traditionally form a significant portion of the discretionary expenses of individuals. GenX and millennials across the globe are showing an increasing fondness for travelling to unexplored and drivable destinations. There is a rising trend of destination events like weddings and anniversary celebrations. The reflection of these trends is evident in the contribution of the Tourism and Hospitality industry to the national GDP. According to World Travel and Tourism Council, the contribution of Tourism and Hospitality to the national GDP has increased from 6.4% in F.Y. 11 to 9.4% in F.Y. 19. The tourism and hospitality industry also provides about 43 million jobs which accounts for 8.1% of the total employment in the country.

OPPORTUNITIES AND THREATS

TEA AND TOURISM DIVISION

The continuous promotional efforts and better marketing and brand building initiatives taken jointly by the Government/ Tea Board are likely to benefit the industry in the long term. Tea Industry of India is continuously gaining image in the global front and exports are presumed to grow in the near future.

As regards the Tourism Division of the Company it is to be noted that the tourism industry will be witnessing a plethora of growth this year as tourism activities will be resuming after a period of almost One and Half year and already the industry has seen early signs of growth.

OUTLOOK

TEA INDUSTRY

Tea is common man's drink and is consumed widely throughout the country. The total production of tea is almost sufficient to meet the domestic internal demands. The weather is of prime importance for the industry and due to the vagaries of the weather the production often fluctuates. The outlook for the tea industry is positive due to increasing domestic demand.

However due to increasing cost of manufacture the margins are under pressure and with the unfair competition from the un-organized sector, the Industry is undergoing a difficult phase. The Industry expects effective incentives from the Authorities.

TOURISM INDUSTRY

the tourism industry is evolving rapidly, driven by technological advancements and shifting consumer preferences. Sustainable and eco-friendly travel options are becoming increasingly popular, as travelers seek to minimize their environmental impact. The rise of remote work has also led to a surge in "workcations," blending work and leisure. Additionally, personalized experiences and local cultural immersion are in high demand, reshaping traditional travel models. Adaptability and innovation will be key for destinations and businesses to thrive in this dynamic landscape.

RISK AND CONCERN

The Company's major income is from sale of tea. The tea manufactured by the Company is sold through auctions as well as private sales.

The production cost of tea, comprises of various inputs which are statutorily required to be met by the Company including those under the Plantation Labour Act, Minimum Wages Act etc and levies imposed by the Central and State authorities under various other laws.

The tourism industry faces significant risks including environmental degradation, as high visitor volumes strain natural resources. Economic volatility and global crises, such as pandemics, can sharply impact travel demand and revenue. Overtourism leads to overcrowding and infrastructure strain, affecting both local communities and visitor experiences. Additionally, managing cultural sensitivity and health and safety concerns remains crucial for maintaining sustainable and respectful tourism practices.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has an adequate Internal Control system to ensure proper and efficient use of the company's resources, its protection against any unauthorized use, accuracy in financial reporting and due compliance of the company policy procedure as well as the

statutes. Statutory and internal auditors also review its implementation and progress at periodic intervals and take corrective action where any short comings are identified. The audit committee similarly reviews the internal control system and provides guidance for improvement.

FINANCIAL AND OPERATIONAL PERFORMANCE

During the year 2023-2024 your company reported a gross sale of Rs. 6.02 Crores as compared to Rs. 7.25 Crores in the previous year from tea division and from tourism division it has gross earned Rs. 5.82 Crores as compared to Rs. 6.12 Crs. in the previous year. The total revenue from operation during the years Rs.11.71 crore as compared to Rs. 13.26 crore in the previous year and your company reported loss of Rs.3.52 crore as against loss of Rs. 3.88 crore in the previous year. Thus, overall financial and operational performance of your company has slightly fallen during financial year 2023-24 as compared during the financial year 2022-2023.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Company is primarily engaged in the business of cultivation, manufacture and sale of tea and providing hospitality services. Accordingly, the Company is a double business segment Company, Tea and Tourism Division.

HUMAN RESOURCES

Tea Industry is highly labor intensive. The Company employs around 900 labours at its Tea Estate and a total of around 125 Employees in both the division. Employee relations remained satisfactory during the period under review. The Company would like to record appreciation of the wholehearted support and dedication from employees at all levels in maintaining smooth production and manufacture of tea during the year.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Reporting regard to projections, estimates and expectations have been made in good faith. Many unforeseen factors may come in to play and affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. DLX LIMITED

**BALANCE SHEET AND STATEMENT OF PROFIT & LOSS AND CASH
FLOW STATEMENT AND STATEMENT OF CHANGES IN EQUITY
SHARES FOR THE YEAR ENDED 31.03.2024**

INDEPENDENT AUDITOR'S REPORT**To The Members of DLX LIMITED****Report on the Audit of the Ind AS Financial Statements****Opinion**

We have audited the accompanying Ind AS Financial Statements of **DLX LIMITED ("the Company")**, which comprise the Balance Sheet as at 31st March, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its **Loss** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS Financial Statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 52 in the financial statements, which indicates that the accumulated losses of the company has fully eroded the Net Worth of the company during the year ended, 31st March, 2024. This raises a material uncertainty which may cast a significant doubt about the company's ability to continue as a going concern. However, as per the reasons stated in Note 52, the financial results are prepared on a going-concern basis.

Our opinion is "Not modified" in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements' Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of user taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules.
- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure –B" to this report.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

As per the records of the company and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations as at 31st March, 2024 which would impact its financial position in its Ind AS financial statements – Refer Note 33 to the Ind AS financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause(i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The Company has neither declared nor paid any dividend during the financial year. Hence, compliance in accordance with Section 123 of the Companies Act, 2013 is not applicable.
- (vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of Companies (Auditor and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

(Referred to Paragraph 2(f) of Report on Other Legal and Regulatory Requirements of our Report of even date)

We have audited the internal financial controls over financial reporting of **DLX Limited** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS Financial Statements were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Cash Flow for the year ended 31st March, 2024

Accounting Policy

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management.

Notes to the Financial Statement for the year ended March 31st, 2024

Note-1

1.1 Corporate Information

DLX LIMITED bearing CIN - **L15491WB1964PLC026262** is a Public Limited Company, incorporated in India on November 2, 1964 in the name Darshanlal Exports Private Limited, listed in Calcutta Stock Exchange. Further with the approval of ROC dated, December 31, 1988, the name of the company was changed to DLX Limited. The registered office of the Company is situated at 41, Chowringhee Road, Kanak Building, Kolkata 700071.

The Company is primarily engaged in the business of cultivation, production and sale of tea and providing Hospitality services.

The financial statement for the year ended 31st March, 2024 was approved by the Board of Directors of the company on 29th May, 2024 and subject to adoption by the shareholders in the ensuing Annual General Meeting.

1.2 Statement of Compliance with Ind AS

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from 1st April, 2016 with restatement of previous year figures presented in this financial statements. Accordingly, the financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

1.3 Amended Ind AS

Effective 01st April 2023 the Company has applied the following amendments to existing standards which has been notified by the Ministry of Corporate Affairs ("MCA") -

Ind AS 1, Presentation of Financial Statements-

Effective for annual periods starting on or after 1st April 2023, Ind AS 1 has been amended to replace the requirement for entities to disclose their 'significant accounting policies' with a requirement to disclose 'material accounting policy information'. The explicit requirement to disclose measurement bases has also been removed.

Ind AS 8, Accounting policies, Change in Accounting Estimates and Errors

The Company has adopted the amendments to IndAS 8 for the first time in current year. The amendments replace the definition of a change in accounting estimates with a definition of accounting estimates. Under the new definition, accounting estimates are monetary amounts in financial statements that are subject to measurement uncertainty.

Ind AS 12, Income Taxes-

The Company has adopted the amendments to Ind AS 8 for the first time in current year. The amendment has narrowed the scope of the Initial Recognition Exemption (IRE) (with regard to leases and decommissioning obligations). Now IRE does not apply to transactions that give rise to equal and offsetting temporary differences. Accordingly, Company will need to recognise a deferred tax asset and a deferred tax liability for temporary differences arising on transactions such as initial recognition of a lease and a decommissioning provision.

The amendments listed above did not have any impact on the amounts recognized in current periods.

1.4 Material Accounting Policy Information

Material Accounting Policy information has been identified based on the following guidance provided under IndAS-1. The material accounting policy information used in preparation of the financial statements have been discussed in the respective notes.

(A) Basis of preparation and presentation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

DLX LIMITED

Notes to the Financial Statement for the year ended March 31st, 2024

(B) Historical Cost Convention

The financial statements have been prepared on the historical cost basis in accordance with Generally Accepted Accounting Principles except for certain items which are measured at fair value at the end of each reporting period, as explained below:

- (i) certain financial assets and liabilities that is measured at fair value;
- (ii) defined benefit plans – plan assets measured at fair value;
- (iii) Bearer Plants - measured at Fair Value less Accumulated Depreciation.

(C) Operating Cycle

All assets and liabilities have been classified as current or non - current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained their operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

(D) Contingent Liabilities and Contingent Assets

i) A contingent liability is not recognised in the financial statements, however, is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote.

If it becomes probable that an outflow of future economic benefits will be required for an item dealt with as a contingent liability, a provision is recognized in the financial statements of the period (except in the extremely rare circumstances where no reliable estimate can be made).

ii) A contingent asset is not recognised in the financial statements, however, is disclosed, where an inflow of economic benefits is probable.

When the realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

iii) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

NOTE 2 : USE OF CRITICAL ESTIMATES, JUDGEMENTS AND ASSUMPTIONS

The preparation of the financial statements requires the use of accounting estimates, which, by definition would seldom equal the actual results. Management also needs to exercise judgment and make certain assumptions in applying the Company's accounting policies and preparation of financial statements.

Estimates and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have most significant effect on the amounts recognised in the financial statement.

i) Estimated Useful Life Of Property, Plant and equipment

PPE represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of the asset are determined by the management when the asset is acquired and the Management reviews its estimate of the useful lives of property, plant and equipment and intangible assets at each reporting date based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of Property, Plant and Equipment and intangible assets.

The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their lives, such as change in technology. (Refer Note-3)

ii) Recognition of deferred tax assets for carried forward tax losses and unused tax credit

Deferred tax assets are recognised for unused losses (carry forward of prior years' losses) and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. (Refer Note-6)

DLX LIMITED

Notes to the Financial Statement for the year ended March 31st, 2024

iii) Impairment of Trade and Other Receivables

The risk of uncollectability of trade receivables and other receivables is primarily estimated based on prior experience, past due status of doubtful receivables which includes factors such as ability to pay, bankruptcy, payment history, etc. The assumptions and estimates applied for determining the provision for impairment and reviewed periodically. The company uses specific identification method in determining the allowance for credit losses of trade receivable considering historical credit loss experience and is adjusted for forward looking information. Receivables are deemed to be passed due or impaired with reference to the company's normal terms and conditions of business. These terms and conditions are determined on a case to case basis with reference to the customer's credit quality and prevailing market conditions.

iv) Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Post employment benefits represent obligations that will be settled in the future and require assumptions to project benefit obligations. The post-employment benefit accounting is intended to reflect the recognition of future benefit cost over the employees approximate service period, based on the terms of the plans and the investment and funding decisions made. The accounting requires the company to make assumptions regarding variables such as discount rate and salary growth rate. Changes in these assumptions can have a significant impact on the defined benefit obligations. (Refer Note- 34)

v) Estimated fair value of unlisted securities

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using asset approach. The Company uses its judgment to select a variety of method / methods and make assumptions that are mainly based on market conditions existing at the end of each financial year. (Refer Note- 4)

Notes to the Financial Statements as at and for the year ended 31st March, 2024

NOTE 3: PROPERTY, PLANT AND EQUIPMENT

Accounting Policy

Property, Plant and Equipment (PPE) and Capital Work-in-Progress (CWIP)

Leasehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any, except Bearer Plant which is measured at fair value less accumulated depreciation & impairment loss, if any.

Historical cost of an asset includes the purchase cost of asset, including import duties and non-refundable taxes, borrowing costs if capitalization criteria are met and any directly attributable costs of bringing an asset to the location and condition of its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

(i) Depreciation methods, estimated useful lives and residual value

Leasehold land are amortised over the lease term.

Depreciation is calculated using the written down method to allocate their cost, net of their residual values, over their estimated useful lives.

The useful life is taken as per prescribed useful life in Part C of Schedule II to the Companies Act, 2013 except Leasehold Land and Bearer Plant. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period except leasehold land which are amortised over the lease term and bearer plants whose estimated useful life has been considered 75 years, which is supported by technical evaluation.

Bearer plants are depreciated from the date of transition to Ind AS to the remaining useful life.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(ii) Expenditure during Construction period

Directly attributable expenditure (including finance costs relating to borrowed funds for construction or acquisition of fixed assets) incurred on projects under implementation are treated as Pre-operative expenses pending allocation to the assets and are shown under CWIP. CWIP is stated at the amount expended upto balance sheet date on assets or property, plant and equipment that are not yet ready for their intended use.

Intangible Assets

Intangible Assets are capitalized where it is expected to provide future enduring economic benefits. Intangible Assets are stated at cost or initial recognition after which same stated at cost less accumulated amortization and accumulated impairment loss, if any.

Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the straight-line method over the period.

Impairment of Assets

Property, plant and equipment; goodwill and intangible assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable.

An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount.

The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

NOTE 6 : DEFERRED TAX (A)

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred tax assets are re-assessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws to the extent it is likely to give future economic benefits in the form of availability to set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

FINANCIAL INSTRUMENTS

Accounting Policy

Financial assets and financial liabilities are recognised in the Balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

Fair Value of Financial Instruments

In Determining the fair value of financial instruments, the company uses a variety of methods and assumptions that are based on market conditions and risk existing at each reporting date. The methods used to determine the fair value include discounted cash flow analysis and available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realised.

(a) FINANCIAL ASSETS

(i) Initial Recognition & Measurement

All financial assets are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition of financial assets, that are not measured at Fair Value through Profit and Loss, are added to the fair value at initial recognition.

The financial assets include equity and debt securities, trade and other receivables, loans and advances, cash and bank balances and other financial instruments.

(ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified at amortised cost and at fair value through other comprehensive income (FVTOCI).

(iii) Investment in Equity investments at Fair Value through Other Comprehensive Income (FVTOCI)

All equity investments in the scope of Ind AS 109 are measured at fair value. The Company makes such election on an instrument by instrument basis.

All quoted equity instruments are measured at fair value which is determined based on Level-1 inputs that is quoted prices (unadjusted) in active markets or last traded prices.

All unquoted equity instruments are measured at fair value by taking into account the financial statements of such instruments to the extent available with the company.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment.

However, the Company may transfer the cumulative gain or loss within equity.

(iv) De- Recognition

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

(b) FINANCIAL LIABILITIES

(i) Initial Recognition & Measurement

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities classified at amortised cost, net of directly attributable transaction costs.

The financial liabilities include preference shares, trade and other payables, loans and borrowings including bank overdrafts, other financial instruments, etc.

(ii) Subsequent measurement

For the purpose of subsequent measurement, Financial liabilities are classified through amortised cost.

(iii) Financial Liabilities at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The liability is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate. Gains and losses are recognised in profit or loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

(iv) De- Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

(c) Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

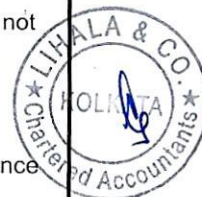

(d) Impairment

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

ECL impairment loss allowance is measured at an amount equal to lifetime ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income or expense in the Statement of Profit and Loss. This amount is reflected under the head "Other expenses" in the profit or loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance sheet. The allowance reduces the net carrying amount.

Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

NOTE 21: SHORT TERM PROVISIONS**Accounting Policy**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not recognised for future operating losses.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When discounting is used, the increase in the passage of time is recognized as finance costs.

NOTE 22: CURRENT TAX LIABILITIES**Accounting Policy**

Income tax expense comprises current tax and deferred tax and is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in Equity or in OCI.

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

NOTE 23: REVENUE FROM OPERATIONS

Accounting Policy

Revenue Recognition

Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or service to the customer. Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and discounts.

Effective April 1, 2018 the Company has applied Ind AS 115, which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 revenue recognition. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

(i) Sale of Goods

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue from sale of goods include sale of food, beverages and tea & tea claims and are net of sales return, indirect taxes, trade allowances and amount collected on behalf of third parties.

(ii) Sale of Services

Revenue is recognised at the transaction price that is allocated to the performance obligation. Revenue includes room rent and tourism services which is recognised once the rooms are occupied and tourism services have been provided as per the contract with the customer.

(iii) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Interest income is included under the head "Other Income" in the Statement of Profit and Loss.

(iv) Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

(v) Subsidies

Subsidy received from Tea Board against manufacturing of Orthodox Tea is considered as income and credited to Statement of Profit and Loss on accrual basis.

(vi) All other income are accounted for on accrual basis.

Determination of actuarial assumption depend on various factors such as the company's internal commercial and business plan, various industry factors, applicable economics factors, internal HR related policies (including and changes thereto), regulatory factors, etc .

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime . Thus, the company is exposed to various risk in providing the above gratuity benefit which are as follows:

Interest Rate Risk : The plan exposes the company to the risk of fall in interest rates. A fall in interest rate will result in an increase in ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity Risk : This is the risk that the company is not able to meet the short term gratuity payouts. This may arise due to non-availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid asset not being sold in time.

Salary Escalation Risk : The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Derivation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk : The company has used certain mortality and attrition assumptions in valuation of liability. The company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Regulatory Risk : Gratuity benefit is paid in accordance with the requirements of the payment of Gratuity Act, 1972. There is a risk of change in regulations requiring higher gratuity payouts.

Notes to the Financial Statements as at and for the year ended 31st March, 2024

Note 38: Financial risk management objectives and policies

The Company's principal financial liabilities includes Borrowings, Trade payable and Other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Investments, Trade receivables, Cash and cash equivalents and Other financial assets that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviewed policies for managing each of these risks, which are summarized below :

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in market prices. The Company's activities expose it to a variety of financial risks, including the effects of changes in interest rates.

(i) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. Any changes in the interest rates environment may impact future cost of borrowings. The interest rate risk is managed by the Company by monitoring monthly cash flows which is reviewed by management to prevent loss of interest.

The following table demonstrates the fixed and floating rate borrowings of the Company:

(Amount in Hundreds)

Particulars	As at 31st March, 2024	As at 31st March, 2023
Floating rate borrowings	90,256.04	59,684.41
Fixed rate borrowings	10,82,876.53	9,73,763.31

Sensitivity Analysis:

The following table demonstrates the sensitivity to a reasonably possible changes in interest rates on that portion of borrowings affected. With all other variables remaining constant, the company's profit before tax and equity before tax is affected as follows:

Particulars	Increase/ decrease in Basis points	Effect on Profit before tax	Effect on Pre tax Equity
As at 31st March, 2024	+ 0.5%	(1,548.53)	(1,548.53)
	- 0.5%	1,548.53	1,548.53
As at 31st March, 2023	+ 0.5%	(520.99)	(520.99)
	- 0.5%	520.99	520.99

(ii) Price risk

The Company's listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total equity instruments.

Sensitivity Analysis:

The impact of increases/decreases of the index on the Company's quoted equity investments for the period is based on the assumption that the equity index had increased/ decreased with all other variables held constant, and that all the Company's equity investments moved as per the market index.

Particulars	Increase/ decrease in Basis points	Investment in Quoted Equity	Effect on Pre tax Equity (OCI)
As at 31st March, 2024	+ 5%	32,879.02	1,643.95
	- 5%		(1,643.95)
As at 31st March, 2023	+ 5%	20,876.84	1,043.84
	- 5%		(1,043.84)

DLX LIMITED

Notes to the Financial Statements as at and for the year ended 31st March, 2024

(b) Credit risk

(i) Trade Receivables

The Company extends credit to customers in the normal course of business. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major customers.

The table below summarises the maturity profile of the company's financial liabilities:-

(Amount in Hundreds)

Particulars	Outstanding		Total
	upto 6 months	6 months and above	
Trade receivables			
As at 31st March 2024			
Secured	-	-	-
Unsecured	39,996.32	895.91	40,892.23
Total	39,996.32	895.91	40,892.23
As at 31st March 2023			
Secured	-	-	-
Unsecured	39,789.10	484.30	40,273.40
Total	39,789.10	484.30	40,273.40

The Company's major revenue streams arises from sale of Tea and hospitality services provided to end use customers. The trade receivables on account of sale of products and services are typically un-secured and derived from services provided to large number of independent customers. As the customer base is distributed economically and geographically, there is no concentration of credit risk. The credit period provided by the Company to its end use customers varies based on type of service offered and sale made.

(ii) Deposits with banks and other financial instruments

The Company considers factors such as track record, market reputation and service standards to select banks with which balances and deposits are maintained. Generally, the balances are maintained with the banks with which the Company has also availed borrowings. The Company does not maintain significant cash balances other than those required for its day to day operations.

(c) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of short term loans.

Short term liquidity requirements comprises mainly of trade payables and employee dues arising during normal course of business as on the balance sheet date. Long term liquidity requirement is assessed by the management on periodical basis and is managed through internal accruals and through funding commitments from shareholders/promoters. The maturity profile of the Company's financial liabilities based on the remaining period from the date of the balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligation of the Company.

(d) Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2024.

DLX LIMITED**Notes to the Financial Statements as at and for the year ended 31st March, 2024****(2) Fair Value Hierarchy**

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement".

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).
